

The Platinum Plus

The Mr. John Platinum Plus line of trailers offers an escape from all things ordinary and creates an atmosphere of lavish indulgence for your special event.

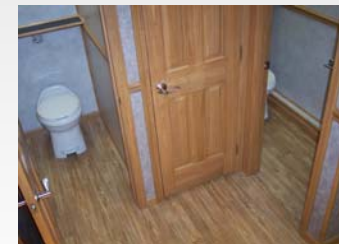

The roomy interiors include typical features such as double pane skylights, soft indirect lighting with wood valances, private rooms with rich marbled walls, warm woodwork and polished fixtures. Fine detailing such as marbled porcelain and rolled oak flooring provide a final compliment to this tribute to form and function and sets a new standard in upscale temporary facilities.

Any trailer from the Mr. John Platinum Plus line arrives on your site fully stocked. Also available for added convenience is our valet service to ensure worry-free operation.
