

The Porta Rain 14 Combo

Mr. John has designed another solution for the ultimate in comfort and convenience. Perfect for home renovation or for occasions where a full bathroom is needed, the Porta Rain 14 Combination includes both shower facilities and restrooms for a truly home like experience.

With both heating and air conditioning, the Porta Rain 14 Combo is fully climate controlled and includes two private shower/restrooms in a compact 14' mobile environment. Each unisex bathing room features a changing area, one toilet, sink vanity with mirror and a separate shower enclosure.
