

The Silver Plus

The Mr. John Silver Plus Classic Restroom Suite is a compact, mobile unit containing two private restrooms. The interior space sparkles with clean, modern elements such as stainless steel sinks and updated fixtures. These features are coupled with classic wood flooring and patterned Formica countertops to create visual balance and produce a style that's right for any event.

Each private restroom includes a fresh water toilet and sink, generous countertop space, soft lighting, ventilation fans and air conditioning. The men's side includes a waterless urinal while the woman's side has several built in cabinets for storage.
