

The Sani-Wash

The Mr. John Sani-Wash is the ideal sanitary system for events where water is not readily available and clean hands are a must. Perfect for fairs and festivals where food is served or coupled with temporary restrooms without hand washing capability. The Sani-Wash dispenses an 8½ ounce metered wash and provides 600 hand washings

Delivered to your site, complete and ready for operation, the Mr. John Sani- Wash makes outdoor events safer, more sanitary and provides an unsurpassed level of convenience and comfort.

Delivered to your site – complete and ready for operation, the Mr. John Sani-Wash makes outdoor events safer, more sanitary and provides an unsurpassed level of convenience and comfort.

> HAND WASH STATION
