

The Maxim

An upscale unit combining both style and function...

An upscale unit combining both style and function, the Maxim provides a sleek, contemporary design with the added luxury of flush and wash capability. The stylish, modern interior is strategically configured to allow for an uncluttered and spacious environment. End user comfort is maximized by extra amenities such as a recirculating toilet and vanity area with sink, soap, mirror, paper towels and wastebasket.

The Maxim's smooth, contemporary design makes it perfect for a special occasion where you need to maintain a feeling of elegance. The Maxim is ideal for weddings, garden parties, graduations, bat/bar mitzvahs, etc.
